Ghaziabad, UP

Summary

Enthusiastic and detail-oriented Frontend Developer with a strong foundation in HTML5, CSS3, JavaScript, and Python. Currently pursuing BTech with a specialization in Computer Science and Engineering. Developed impactful projects like Budget Tracker and Alert Wave, demonstrating real-world problem-solving and user-focused design. Certified in Data Analytics using Python and known for being a fast learner, team player, and someone who thrives under pressure. Passionate about creating secure, responsive, and accessible web applications.

Academics

Bachelor of Technology – Computer Science and Engineering
IMS Engineering College | Batch 2022 – 2026 | CGPA: 8+

Intermediate (Class 12) – Modern Era Public School
Year: 2022 | Percentage: 75%

Matriculation (Class 10) – Modern Era Public School
Year: 2020 | Percentage: 90%

Skills

Technical Skills:
1) **Frontend Development:** HTML5, CSS3, JavaScript, React.js, Tailwind CSS
2) **Backend Development:** Node.js(learning)
3) **Databases:** MySQL, MongoDB
4) **Version Control:** Git, GitHub
5) **Programming Languages:** Java, Python
6) **Data Structures and Algorithms:** Linear DSA

Soft Skills:
1) Strong Problem-Solving Abilities
2) Effective Communication and Documentation
3) Collaboration and Teamwork
4) Time Management and Project Planning
5) Fast Learner and Adaptable

Projects

Budget Tracker **(Oct 2023-Nov 2023)**
- Developed an expense tracking application using HTML5, CSS3, and JavaScript
- Implemented a fully responsive design supporting 3+ device breakpoints
- Achieved 95% accuracy in expense calculations during testing.

AlertWave **(Oct 2024-Nov 2024)**
- Built a full-stack application using HTML, CSS, JavaScript (frontend) and Java, MySQL (backend)
- Designed a system to send customized emergency alerts to 5+ trusted contacts
- Reduced alert response time by 40% compared to manual messaging.

Certifications

- **Data Analytics Using Python** – Skillrisers Infotech Pvt. Ltd.
- **Data Analytics Job Simulation** – Deloitte (via Forage)
- **HTML Tutorial** – Great Learning
- **Software Engineering Job Simulation** – Accenture (via Forage)
- **JavaScript ES6 – Complete Guide** – Alison

Achievements

- **Academic Excellence:** Scored 90% in Class 10 Board Examinations
- **Quick Learner:** Mastered JavaScript fundamentals in 3 months through self-study
- **Consistent Performer:** Maintained a CGPA above 8 in B.Tech (Computer Science)
- **Active Participation:** Engaged in extracurricular activities such as treasure hunts, dance, and tug of war
